

**All Blue Hill Heritage Trust Trails are open to the public:**

The grassland of Hatch Cove Preserve is home to Bobolinks and Tree Swallows. During breeding and nesting season please be stay on the mowed paths and provide ample space to these lovely creatures if encountered on your hike.

Please help us keep this place beautiful and report any issues with the trail or associated roadside parking.

Carry out what you bring in \* No fires \* Keep your dog leashed and clean up after it \* No wheels on or off trail please!
