

## The Bow Trip Description

Mile

- 0** Turn off US-201 in Jackman, 0.6 mile south of RR crossing; drive 2 miles to parking lot Launch at **Attean Landing**.
- 4 3/4** Paddle to **western shore of Attean Pond**. 1 1/4-mile portage begins at center of cove north of small point. Cross RR tracks directly on marked trail. Planking 1 1/2 to 2 feet wide in wet areas en route to **Holeb Pond**. (Canoeists can launch at Holeb Landing.)
- 6** Cross Holeb Pond to **Holeb Stream**, which has varying channels, some dead-end.
- 9 1/4** Holeb Stream joins **Moose River**.
- 10 1/4** Holeb Stream joins **Moose River**.
- 14** Flatwater to **Camel Rips**, small drop, ledge.
- 18 1/2** Flatwater to **Holeb Falls**. Spectacular 30-foot drop must be portaged. High ledge on right, huge boulders in river mark approach. At fork, take small left branch, then a quick right. After 1/2 mile and two small drops, turn left into narrow inlet and begin portage. At end, follow rough paths to view falls.
- 19 3/4** Flatwater to **Mosquito Rips**, a short drop.
- 23 3/4** Flatwater to **Spencer Rips**, a short drop.
- 30 1/4** Flatwater to **Attean Falls** (two rapids); you may portage first on left, second on right.
- 31 3/4** Flatwater to **Attean Pond**.
- 34** Paddle north to **Attean Landing**.
