

## WHEN TO VISIT

Boaters and campers enjoy the Moosehead region through warm weather months, followed by hunters in October and November, and ice fishermen and snowmobilers in mid-winter. Fishing on Moosehead Lake for salmon and trout is usually best in the weeks following ice out (typically early to mid-May) or when the waters cool in September.

Lily Bay State Park is open year round 9:00 a.m. to sunset unless otherwise signed at the gate. During the winter, staff grooms 5 miles of cross-country ski and snowshoe trails.

Advance reservations are recommended for this popular campground. For more information or to make a reservation, please call the State Park Reservations Office (800-332-1501— in Maine, 207-624-9950 from outside Maine or visit [www.campwithme.com](http://www.campwithme.com)).

## SPECIAL CONSIDERATIONS

- Moosehead Lake water is cold, and winds can arise suddenly and create dangerous conditions for small boats (with waves up to 6 feet). Wear a PFD at all times; notify someone of your intended route and time of return; and monitor conditions carefully (particularly when crossing open waters).
- Moving firewood can transport exotic insects & diseases that threaten forests. Always acquire firewood from a local source. FMI: [www.maine.gov/forestpests](http://www.maine.gov/forestpests)
- Check yourself for deer ticks daily to prevent Lyme disease.
- Help control the spread of invasive plants and animals by removing aquatic hitchhikers from all boats, paddles, and motors before launching and upon leaving the lake. FMI: [www.maine.gov/dep/water/invasives](http://www.maine.gov/dep/water/invasives)

## VISITOR RULES

- Keep pets on leash at all times and do not leave pets unattended.
- Intoxicating beverages are prohibited.
- Observe wildlife from far enough away that they do not change their behavior: do not follow or feed animals.
- Camp only at established sites, many of which can be reserved in advance at [www.campwithme.com](http://www.campwithme.com).
- Quiet in camping areas is required between 10:00 p.m. and 7:00 a.m. Use of generators is permitted between 8:00 a.m. and 8:00 p.m. if the sound does not bother other visitors.
- All those fishing (age 16 and above for Maine residents and age 12 and above for non-residents) must have a valid license and review the State's open water fishing regulations: [www.maine.gov/ifw](http://www.maine.gov/ifw)
- Hunting is not permitted between June 1 and Labor Day at Lily Bay State Park. FMI: [www.maine.gov/ifw](http://www.maine.gov/ifw)

## TRAILS

A 2-mile walking trail follows the shoreline between the beach and Rowell Cove campground, offering easy terrain and nice views out to Moosehead Lake. The Park offers groomed cross-country ski trails overlooking the lake (and a plowed parking area) during winter months.

## PARTNERS AND SUPPORTERS

The Maine State Park Commission and National Park Service were key to the establishment of Lily Bay State Park. Scott Paper Company donated 570 acres. Additional acreage was purchased with State funds and Federal Land and Water Conservation funds. This brochure was made possible in part by funding assistance through the Federal Highway Administration's Recreational Trails Program, administered by the Maine Bureau of Parks and Lands.
